

SHANNON FOREST
CHRISTIAN SCHOOL

Celebration Garden

Faithfulness springs forth from the earth, and righteousness looks down from heaven. The Lord will indeed give what is good, and our land will yield its harvest. Psalm 85:11-12

Shannon Forest Christian School is breaking ground this summer to begin an Educational Garden! This exciting new venture will serve to enhance the educational experience, provide opportunity for service projects, and add beauty to God's world.

We are inviting you to join us as we begin this journey. We are offering for purchase a name plate to hang from the garden's perimeter fence. This purchase will help defray the cost of the fence and will leave a lasting tribute to revisit for many years to come.

There are only **40 nameplates** available for purchase. Each nameplate will cost **\$65**. You can recognize a student, alumni, family, teacher, business....the choice is yours, but you will want to respond fast as these 40 places will go quickly!

Please **check** which option you would like and **PRINT** the name of who you are recognizing.
