

# SFCS Spectacular Science

## After School Enrichment for

## 2<sup>nd</sup> & 3<sup>rd</sup> Grade Students

Brought to you by:

Elizabeth Gordon  
(SFCS parent and professor of Chemistry at Furman University)

&  
Julie Sellars  
(SFCS F.O.C.U.S. teacher)

Let your student come and explore the wonderful world of chemistry with four hands-on laboratory sessions that will explore these exciting topics:

- Metric Madness Scavenger Hunt
- Properties of acid & bases
- Creating a pH scale with stinky cabbage indicator
- Reactions of everyday acids & bases

When: Thursdays, April 8, 15, 22, and 29.  
3:30 p.m. – 4:45 p.m.

Where: F.O.C.U.S. Classroom

The cost for all four sessions is \$55. Students who participate in this activity will have free late stay from 2:50 p.m. – 3:30 p.m.

Please complete the form at the bottom of this page and return it no later than Tuesday, March 23. Enrollment is limited to 16 students. Confirmation will be sent to the email address you list below.
