Little Crusader Cooking Class

Hey...2nd through 5th Grade students! Do you want to learn about math, science, nutrition, food and kitchen safety, reading and art, all at the same time? Our little Crusaders will cook up an afternoon of culinary fun while practicing cooking and baking techniques! We will sample our work and bring home printed recipes to practice our new skills at home.

Classes will meet in the SFPC Youth House at the corner of the East Campus (LS - upper area playground) from 3:15 p.m.—4:30 p.m. beginning **Monday, January 30**. Students will be picked up from late stay and escorted to the Youth House. Students not picked up at 4:30 p.m. will be escorted to late stay. There will be a charge for late stay at that time.

Classes are based on first come, first serve basis and class size is limited to 12 students. Please return registration to Reida Pearson and make checks payable to SFCS-C.A.N. Program. Deadline for registration is January 23, 2012.
