AGREEMENT FORM

This agreement made this ____ day of _____, 20__ between Sabbadino Driving School LLC, and _____, hereinafter referred to as "student", in consideration of the \$275.00 fee, which includes a \$40.00 non-refundable registration fee, will receive ten (10) hours of classroom instruction and six (6) hours of behind-the-wheel instruction. A driving permit is not required to take the course. It is required for the student to drive with anyone else, and the student has to have a permit six months before applying for a regular driver license.

The Sabbadino Driving School LLC agrees to give quality classroom instruction and vehicle training by a certified driving instructor. However, this does not guarantee that a driver's license will automatically be secured at the Department of Motor Vehicles. The vehicle the student will use for the behind-the-wheel instruction is a 2011 Hyundai Sonata, automatic transmission, equipped with an extra brake pedal for the instructor, along with an extra horn.

Additional fees may be incurred as follows: (1) \$35.00 fee for rescheduling behind-the-wheel instruction if two hour advance notice is not given (call Mr. Sabbadino on his cell phone: (864.908.6832); (2) \$35.00 fee for all returned checks (paying \$310 in cash would then be required); (3) if available the driver training vehicle can be used for DMV testing for \$50, plus \$35 an hour for the instructor's time; (4) extra student driving lessons will be \$35 an hour (cash only).

Unless other arrangements are made, students will meet for the in-car phase of instruction at the parking lot near the classroom building, and be picked up at the same location after the driving session has been completed (same for class work).

This constitutes the entire agreement between Sabbadino Driving School LLC, and the student/parent/guardian, which means that no verbal agreements or verbal promises will be recognized.
