Once the completed course selection form has been submitted, no student will be able to drop, add or adjust their course selections, so please consider your choices carefully before submission. Course rosters will be released in December 2018, prior to Christmas Break.

## SILVA-MESTER COURSE SELECTIONS

**DIRECTIONS** | Please review the Silva-Mester catalog and indicate your choices below in order of preference, using both the course title and course number (refer to the section marked "selection catalog"). Course preferences will be honored according to grade level, with senior selections receiving the highest priority. All efforts will be made to satisfy student preferences; however, classes do have limited space, and SFCS cannot guarantee that every class will be available to each student.
