*\*Discounts are applicable towards tuition payments only and may not be applied towards additional programs.*

*\*Discounts may not be combined to exceed 40%.*

## TUITION ASSISTANCE

We desire to make Christian education available to all families who passionately desire for their children to learn and know Christ at Shannon Forest Christian School. Accordingly, our School Board has budgeted tuition assistance for families based upon financial need. In order to provide families with complete confidentiality and objectivity, our school utilizes the services of FACTS Grant & Aid Assessment, a service of FACTS Management Company, Inc. The amount of money designated by the School Board is limited. Financial Aid is awarded on an annual basis only; families must reapply annually and should not assume that the same amount will be awarded each year.

### APPLYING FOR FINANCIAL AID

- Students must first be enrolled/re-registered for the school year in which they need financial aid and all applicable fees paid.
- Applications are available on [www.factstuitionaid.com](http://www.factstuitionaid.com) and must be completed by April 1.
- All accounts must be current.

## FINANCIAL POLICIES

- The New Student Application Fee is due upon submission of the New Student Application.
- The New Student Enrollment Fee is due upon acceptance within ten (10) business days and prior to beginning classes.
- The Annual Re-Enrollment fee is due upon submission of the Re-Enrollment Application and prior to enrollment in future classes.
- Annual payments and/or annual memberships refer to the annual schedule and calendar of the SFCS academic year running June – May.
- Tuition and Re-Enrollment forms must contain the SSN of the applicant student(s) and the party responsible for payments. No class registration requests will be processed until such information has been provided.
- There will be no refunds made for temporary absences.
- All fees are non-refundable. Exceptions may be made in situations regarding financial aid denial and/or refusal only.
- Additional programs, extra-curricular options, academic electives and enrichment activities may incur additional costs.

## LATE PAYMENT POLICIES

- Due dates for all tuition and fees are firm and students will not be assigned classes until all applicable fees are paid and a payment has been agreed upon with the Office of Business Administration.
- Failure to meet established payment deadlines will result in a late charge of \$35 and the forfeiture of any Plan discount.
- There will be a late charge of \$35 for all returned checks, NSF drafts and past due payments for incidental charges.
- Tuition payments are due in advance. Tuition and/or fees that are 30 days past due will necessitate a Letter of Notification and may require immediate withdrawal of the student(s) until the account is made current. All report cards, transcripts and school records will be held until the account is current. Additionally, no student will be permitted to participate in semester exams or graduation exercises and may not be allowed to participate in any school functions, including Athletics. Once an account is 60 days past due it will be turned over to collections.
- Continued failure to meet payment obligations and/or agreements in a timely manner will result in action by the School Board which may result in the refusal of continued enrollment and/or re-registration for subsequent semesters whether or not the obligation is paid.

## WITHDRAWAL | DISENROLLMENT POLICIES

- A Withdrawal/Disenrollment Form must be completed by the parent and/or guardian for each child prior to the official release of any report cards, transcript and school records.
- Any child withdrawing in the middle of the school year will NOT incur any additional fees as long as the following is accurate:
  - All tuition payments are current.
  - All fees are paid.
  - The child is withdrawing in good standing.
- Withdrawing after the eighth (8th) day of the month will require that month's tuition to be paid in full as the child has already attended what is considered a good portion of school for that month.
- If a student leaves SFCS after 45 school days to attend any Greenville County institution (private or public), the party responsible for payment will owe a semester of tuition.
